AR TARTT

CMS · SDK · APP für Augmented Reality

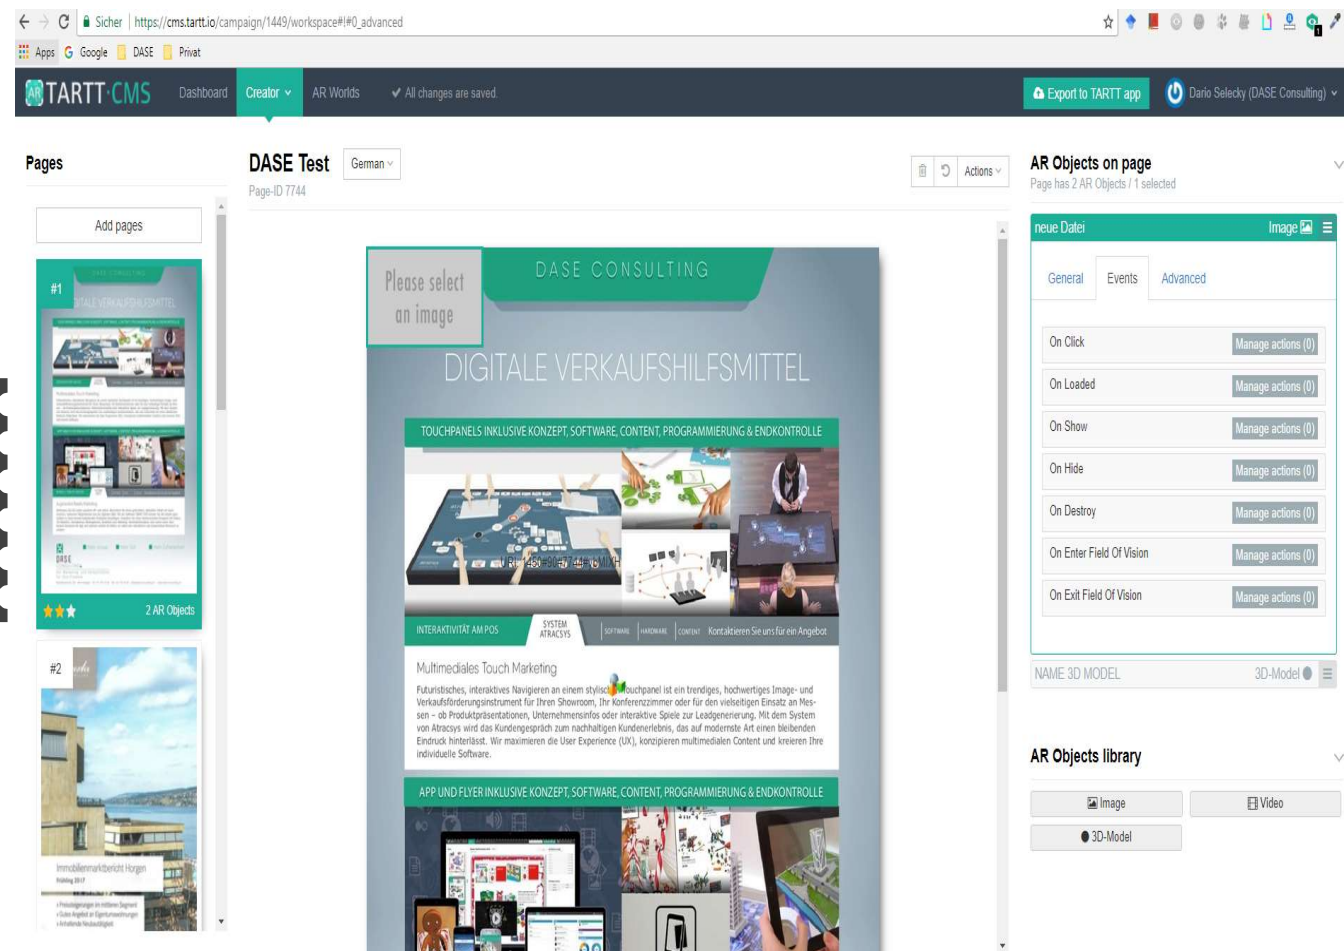

The advertisement features a collection of devices displaying various AR applications. A tablet shows a gingerbread man with the word 'MANOR' below it. A smartphone displays a street scene. Another smartphone shows a 3D architectural model of a building. A laptop displays a dashboard with two circular charts. A larger monitor in the background shows a website interface with 'price' tags and product listings.

TARTT ist ein Produkt von Takondi
